# http://www.victoria.ac.nz/study/programmes-courses/subjects

Shows usage of the page, and how users have interacted with it

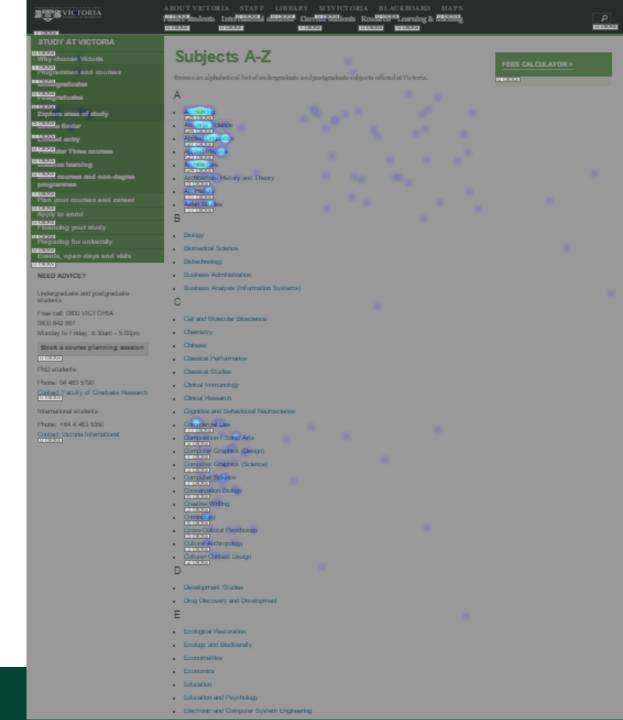

Use across whole page and lots of clicks into the drop down lists

http://www.victoria.ac.nz/ study/programmescourses/subjects/all

Limited use of page

Main focus on A's and bottom of C's

## WIPII Update 3 of 3

#### **User Testing**

- Testing of topic and programme wireframes with secondary school students
- 8 students from Newlands College, St Catherine's College and Wellington East Girls High
- Met each in a one to one interview at the school
- Key outcomes:
  - Understand if the topic page leads the outcomes/calls to action in the content strategy
  - 2. Understand if the programme pages leads to the outcomes/calls to action in the content strategy
  - 3. Identify where users have issues with the designs
  - 4. Identify any user needs we have not met
- Topic and degree wireframes

## Key challenges

### For group discussion:

- 1. Minors
- 2. Atypical subjects
- 3. Unusual programme rules
